

Missing the Newsletter?

Sign up to get it delivered straight to your inbox!

The September 2010 issue of the PTA Newsletter marked the final paper-copy distribution of the newsletter. Receiving the newsletter and PTA flyers in your email inbox is one of the many benefits of PTA membership! But the newsletter is so chock full of school, PTA, and community information that you can still sign up to receive it, even without a paid membership.

Email us at lopatnewsletter@yahoo.com with the information requested below or print out this form and send it in to one of the schools.

- Enjoy the vibrant colors of the photos
- Get more information by clicking on links
- Print out only the pages you want or none at all
- Email the contact listed in an announcement with a simple click

The move to electronic-only newsletters evolved from the momentous amount of paper, toner, staples, and volunteer hours needed to distribute a paper version. We appreciate your support as we reduce our carbon footprint and hope you continue to enjoy the fun and informational newsletter we work so hard to put together!

Sign up now to be added to the email distribution list!
